

With the passage of this bill, our government is finally catching up to the American people. This is long overdue, but it is no less meaningful for my brother and sister-in-law and hundreds of thousands of other LGBTQ+ marriages across the country.

CONTINUING TO FIGHT FOR PAUL WHELEN

(Mrs. KIM of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. KIM of California. Mr. Speaker, I rise to join the Whelan family to urge the Biden administration to get United States Marine veteran, Paul Whelan, safely home from being held hostage and wrongfully detained by Russia.

While we are glad to welcome Brittney Griner safely home to her family, to make it happen, the Biden administration ceded leverage and released a dangerous, convicted arms dealer who was in prison for conspiring to kill Americans.

This poses tremendous national security risks and will embolden Vladimir Putin to take more Americans hostage in the future.

Meanwhile, Paul Whelan and other wrongfully detained Americans remain imprisoned. I will continue to fight for their safe return home.

ONE OF THE PROUDEST VOTES I WILL EVER CAST

(Mr. JONES asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JONES. Mr. Speaker, today, I cast one of the proudest votes I will ever cast in this body. I was a "yea" on the Respect for Marriage Act.

When I was elected to this body, I became one of the first two openly gay Black Members ever to serve in Congress. Growing up closeted, I never imagined that Congress would pass a bill like this, or I would be in a position to introduce it with Representative NADLER.

I was too young to remember Congress passing the Defense of Marriage Act, but I know exactly where I was when the Supreme Court struck it down in the *United States v. Windsor*. I had just graduated law school, and I was studying for the bar exam. At the time, because of moderates like Justice Kennedy, I still had faith that the Supreme Court was committed to protecting my basic civil rights as a gay American.

That was a different Supreme Court than the one we have today. The far-right supermajority on the Supreme Court is on a rampage against fundamental rights. As members of the LGBTQ+ community prepare to face the worst assault on our rights in a decade, Congress must do whatever it takes to protect our humanity.

This bill is a great first step. It ensures that the Federal Government will

not discriminate against same-sex and interracial couples who have been legally married. But Congress must also pass other legislation to ensure marriage equality as the law of the land.

Mr. Speaker, I would conclude by simply saying that I am very grateful to this Congress and to be in this place.

BIG TECH CENSORSHIP

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Mr. Speaker, in 2019, Hunter Biden foolishly abandoned a laptop at a computer repair store, a laptop that revealed Joe Biden was fully aware of his son's foreign corrupt business dealings. Not only that, but Hunter's business also profited President Biden financially and influenced foreign policy.

But the American people weren't allowed to know this before electing Joe Biden to the Presidency. Why? Because Twitter, one of the most influential distributors of content in the world, deliberately and arbitrarily suppressed news coverage to suit the political persuasions of its employees.

We have undeniable proof that Big Tech censored bad press for the Biden administration right before the 2020 election and may have even profited from doing so. This despicable collusion between liberal politics and social media, put on full display in the Twitter files, must end.

Informed voters, not biased Twitter truth manipulators, must decide the outcomes of elections.

We will never know how many voters would have changed their mind if they knew of the corruption of the Biden family and their activities. Suppression of information is the real threat to our republic, not asking questions.

Now that Republicans are back in the majority in the House, we will investigate this interference and hold Big Tech, the FBI, and the Biden family accountable.

VOTING TO PROTECT MARRIAGE EQUALITY

(Ms. LEE of California asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. LEE of California. Mr. Speaker, I rise today to thank this body for full support of, of course, H.R. 8404, the Respect for Marriage Act. I was so proud to support this bill.

I thank my good friend and colleague Chairman NADLER for his leadership and DAVID CICILLINE and Speaker PELOSI for bringing this important bill to the floor.

Today, I voted to protect marriage equality across the country. Following the Supreme Court's shameful decision to overturn *Roe v. Wade*, rightwing extremists, who have been visibly organizing for decades to curtail hard-won

rights, have set their sights on other freedoms.

We cannot let Justice Clarence Thomas even consider overturning the constitutional right to marriage equality. What is coming next?

Today, the bipartisan Respect for Marriage Act will enshrine marriage equality into Federal law.

As one of the founding members of the Equality Caucus, along with my good friend Congressman Barney Frank, today, I am reminded of Martin Luther King's profound insight when he said that "the arc of the moral universe is long, but it bends toward justice."

I thank all those who voted for this. This is a historic day, and we did the right thing. Thank God we are moving forward in this country.

PAT SMITH WILL BE GREATLY MISSED

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, there are many wonderful people who work in and around the House to help us do the people's business. Some are very visible, and some are less so. Often the less visible are some of the most valuable in many ways.

One of those people is Patricia Smith, Pat, who is a true patriot and works hard every day to serve others. Ms. Pat prepares and serves food in the Republican Cloakroom. She is unfailingly sweet and caring, not only to Members but to everyone.

In addition to her service in the House, Ms. Pat serves at her church and volunteers on weekends, feeding the homeless. She lives her faith every minute of every day.

As Saint Francis said: Preach a sermon every day. When necessary, use words.

Ms. Pat does not need to use words. She lives the Gospel every day. She will soon be retiring, and she will be greatly missed.

Congratulations, Ms. Pat, on a life well lived. I will miss you and your example more than you can know.

TODAY IS HISTORIC

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, this is a very historic day.

We overturned and dismissed the words of Justice Thomas that the rights of Americans should be denied.

We voted for the Respect for Marriage Act that will be signed by the President of the United States.

Then in the midst of darkness, Brittney Griner was swapped and is on her way home. Negotiations by the hostage negotiating team took months because Mr. Putin would not negotiate.
